

DC Credit Union Balance Transfer Form

Be sure to list the credit card names, account numbers, and correct billing address.

Print, complete and mail or fax to the credit union: DC Credit Union,
2000 14th Street, NW, 2nd Floor, Washington, DC 20009. Fax: 202-673-3507.

Please allow 3 weeks to process your balance transfer. Watch for payments to show up as credits on your other credit card statements. If the credit brings the balance to zero, you may cancel those accounts. We will not close your accounts for you. There is no fee for transferring. Finance charge will be calculated on your average daily balance at the purchase rate stated in our Visa agreement. Call 202-673-3625 for details.

YES! I want to transfer balances to my DC Credit Union Visa. By signing, I authorize you to add to my DC Credit Union Visa account, the full or partial payments I have listed. This may include transferring amounts that are a portion of my request, so that my Visa limit is not exceeded. Only available balances will be transferred. Transfers of disputed purchases could cause loss of disputed rights.
